# MOTHER TERESA'S *ANYWAY* POEM

1

If you are kind,  
people may accuse  
you of selfish,  
ulterior motives;  
Be kind anyway.

2

If you are  
successful, you will  
win some false  
friends and some  
true enemies;  
Succeed anyway.

3

If you are honest  
and frank, people  
may cheat you;  
Be honest and  
frank anyway

4

What you spend  
years building,  
someone could  
destroy overnight;  
Build anyway.

this thought provoking  
three-way memoir.

**The Faith Club** was started when an American Muslim of Palestinian descent, a Christian, and a Jew, began to write a children's book about their three religions. As the women's meetings began, it became clear that they had their own adult struggles with faith and religion, and they needed a safe haven where they could air their concerns, admit their ignorance, and prejudices. Honesty was the first rule of the Faith Club, and with that tenet as a foundation, no topic was off limits.
