

AfSV Statement on the Terrorist Attacks in Afghanistan

August 27, 2021 - We condemn, in the strongest terms, the horrific terrorist attacks at Kabul's airport on August 26, which claimed the lives of more than 100 innocent people and left many others injured.

Hizmet Movement participants have founded several private, non-sectarian, STEM-based schools in Afghanistan to provide both boys and girls with empowering educational opportunities. We believe that a balanced education program implemented in an environment of mutual respect fosters the core values of humanity.

AfSV strongly believes that every human life is sacred, and that violence and terror violate the essential principle of human dignity. We express our deepest condolences to the relatives and loved ones of the victims and we pray for the quick recovery of those injured.
