Fethullah Gülen's Message for the Victims of Flooding in Southern Brazil

I have learned, with deep sadness, that in Southern Brazil, more than 500,000 people had to leave their homes, hundreds of people lost their lives or were lost in multiple floods.

I offer my sincere condolences to the families and loved ones of those who lost their lives in this disaster, and to all Brazilian people.

I am praying for the Brazilians who continue to suffer from and struggle with the repeated floods.

I am confident that local and national officials will take the necessary measures to meet the needs of the victims and to prevent similar disasters in the future.

May God the Most Merciful help all Brazilians affected by the disaster, and especially the emergency teams who are trying to control the flooding damage and help the victims.
